

SHOPPING ORGANIZATION EMERGENCY PLAN

April 9, 2020

DEAR COOP MEMBERS,

You guys may want to consider staggering entries based on last names. Give the older and more at risk people entry first in the morning. For the rest of the day schedule for example people with last names A-K go shopping Monday, Wednesday, and Friday and last names L-Z go shopping Tuesday, Thursday, Saturday. Sunday's could rotate. Also stagger the hours, everyone is home. A-C shop for three hours and D-F next three hours, etc.....

Just a suggestion. Thanks and stay safe!
