

QUESTION REGARDING CURBSIDE PICKUP

May 17, 2020

HI AMAZING LINEWAITERS' GAZETTE TEAM,

I have a question that I haven't seen addressed in any Coop communications, that I was hoping you could cover in an upcoming edition. Has the Coop considered online/e-mail ordering with curbside pickup and payment? I am sure you have, and there must be a good reason we're not doing it, but I was surprised to see this still isn't an option when so many other coops and stores are switching to that kind of system to avoid exposure to workers (and reduce the need for people to wait in very long lines).

Thanks,

Erica Lessem
