VI. AGENDA (8:15-9:15 p.m.)

Item 1: Committee Requirements (60 minutes)

Item Sponsor: Rachel Porter

Proposal: The PSFC routinely depends on and creates new committees. This proposal is intended to improve the way these committees function for and report back to the membership. The proposal includes requirements for existing committees and new committees. Where there is an overlap with the existing document "Structure & Reporting Requirements for New Coop Committees," the language in this item will

take precedence. Importantly, the proposal is intended to increase the ability of committees to reduce staff work.

1. Committees will be listed on the PSFC website with a brief description of the purpose and activities of the committee. Updates should include the names of committee members. These entries will be behind the firewall, should be updated at least annually, and are the responsibility of the committee members.
2. Committee members may report 13 shifts per year. Any additional shifts must be approved by the PSFC staff liaison to that committee or by a PSFC General Coordinator. Unapproved work beyond 13 shifts/year will not be given work shift credit and will be considered volunteer work.
3. Committees must report to the GM at least 1/year and no more than 3/year. Reports should not last longer than 3 minutes unless they are part of a proposal or election. Committees that are essential to PSFC functioning will be required to report to the General Meeting at least 2/year.
4. Committees will provide updates on their activities in the LWG at least 2/year. The LWG will create a committee update column where updates can be published.
5. Committee membership selection will be made transparent in the committee proposal. Criteria for membership will be specified in writing in the committee's entry on the PSFC website.
6. The term for all non-retired committee members will be 3 years. All committee appointments and renewals must be approved by the General Meeting.
7. This proposal will create a committee oversight committee (of working members) to supervise committee reporting requirements including scheduling updates and tracking work credit.

VII. Board of Directors Meeting (9:15 p.m.)
