

# JOE HOLTZ SUSPENSION

Hello fellow Coopsters,

I was perusing the fantastic *Linewaiters' Gazette* website and read about the suspension of Joe Holtz. I don't understand the logic behind deciding to punish a working member by suspending and withholding pay for an entire month. We all live in the

most expensive city in the United States. We're in an economy with rising inflation. Housing costs are through the roof. I don't know what Mr. Holtz's financial situation is, but I do know that if my employer withheld my salary for a month I would be financially devastated.

I hope the members who decided that this was an appropriate action will reconsider whether this drastic punishment matches the crime.

Thanks, and happy shopping.
