

ENVIRONMENTAL COMMITTEE SEEKS NEW MEMBERS

March 19, 2024

The Food Coop's Environmental Committee is seeking to grow! The mission of the committee is to provide education, research and advisement to ensure the Food Coop operates in fidelity to its environmental policy to support "the best products and practices with regard to the health, safety and preservation of humans, animals and the overall biosphere." You can learn more about the Environmental Committee's history and activities [here](#). We seek members with education and professional experience in environmental topics relevant to the Food Coop's operations and impact. If you wish to apply, please fill out this [web form](#).
