Come join us for our next WordSprouts' event in partnership with the Old Stone House, featuring poet Peter Schneider.

Peter will read from his debut collection, *The Map is Not the Territory* (Anaphora Press, 2018), and his most recent publication, *In the Field of Unintended Consequences* (Pb&j Books, 2023). In addition, Peter will share new work.

An oil painting of a red car, possibly a Volkswagen Beetle, parked in a field of tall grass and wildflowers. The car is partially obscured by a small tree in the foreground. The background is a dense forest of green trees under a blue sky. The painting has a textured, expressive style with visible brushstrokes.

The American poet, scholar and artist Maya Pindyck reviewed Peter's poetry for Anaphora Press, saying:

"The poems explore states of consciousness triggered by the author's connections to the land where he resides in Central Vermont and the cityscapes that he is intimate with in Brooklyn, New York. They are also informed by his long-time practices of zazen meditation and t'ai chi and his ongoing study of Western and Eastern philosophy and psychology."

"Awake and in love with the natural world, these poems merge psychological and spiritual landscapes with rivers, trees, and seasons in vital ways. Schneider's poems are rooted and moving, lingering in and traveling through American towns, flowers, hu-

man bodies, and philosophies. With exactitude and vastness, the poems speak to the beautiful strangeness of ordinary things while keeping a sly grin: 'Refuge is swaying / side to side leaning over / on one's black cushion / to cut a loud fart.' We need these grounded, funny, wise and open poems in the world. They show us the vibrancy of a 'gray winter morning' for the first time all over again."

Peter Schneider has been a Coop member since 2009. He is a poet, recovering philosopher and psychotherapist. Retired from his therapy practice, he splits his time between Brooklyn, NY, and Rochester, VT. His poems have appeared in a number of literary journals. His MFA is from Columbia University and his PhD is in clinical psychology from New York University. His favorite snack from the Coop is Humboldt Fog cheese. Now retired from the Coop, he misses the raucous camaraderie of the cheese squad in the basement.

Peter's presentation will be followed by questions from the audience and drinks and snacks (including Humboldt Fog cheese) courtesy of the Coop.

Peter will be available to sign copies of both *The Map is Not the Territory* (Anaphora Press, 2018), and *In the Field of Unintended Consequences* (Pb&j Books, 2023), and will have copies available to sell.

Both books can be ordered from several online booksellers, including amazon.com and walmart.com.

# Letters to the Editor

## HYBRID MEETINGS ARE COOPERATIVE JUSTICE

Dear Coop community,

As someone who works to make technology more accessible for people with disabilities—many of whom are too often excluded from participating fully in daily life—I've been heartened to see the Board move forward with establishing hybrid meetings.

The truth is, much of our world is designed with the assumption that everyone can participate in the same way. But we know that's not the case. Hybrid access gives us the chance, right here in our Coop, to help level that playing field. It's a concrete step toward inclusion, making sure that more members are able to join in one of the best parts of living in our great city: the democratic process of cooperative governance.

In a time when disability rights are being challenged across the country, it is especially meaningful to see our Coop taking a different path—one that centers equity, care, and community. Hybrid meetings are not just about technology; they're about affirming our cooperative values and ensuring that no one is left out.

I encourage the Board to continue leading in this direction. It's an opportunity to live out the spirit of cooperation we all value and to strengthen our community by making it more welcoming to everyone.

*In solidarity,*

*Matthew Bambach*

## PEACHES

Dear Coop members:

In the Sept. 16, 2025, letters to the editor, there is a letter by a member who had peaches that "were not very good." I would like to reply that this season, I had amazing, delicious, juicy local IPM yellow peaches almost every time. I let the peaches sit out a day or two to soften and ripen. I was sorry when I shopped last week that there were no longer any local IPM yellow peaches. I look forward to them next season.

*Sincerely,*

*Julie Gabriel*

## IN SUPPORT OF HYBRID MEETINGS

Dear Coop community:

I've heard that the Coop Board is considering hybrid meetings. I'm writing to fully support hybrid meetings so those members who wish to attend in person may do so, and those many more (busy parents, disabled, crowd-avoidant folks) who may wish to attend online may also do so.

Approving hybrid meetings and hybrid voting strikes me as a logical, rational move to include as many members as possible.

*Kind regards,*

*Daniel Millman*

*Member since 2014*

## YES TO HYBRID MEETINGS

To the editor,

I have been a Coop member for the last 11 years, since moving back to New York City from California. As much as I would like to attend every meeting, it is just not possible for me. I am very interested in what happens at the Coop and am completely in favor of hybrid meetings. As the saying goes, no one is smarter than all of us—hybrid meetings give all members an opportunity to be part of the discussion and to vote on the

many important issues that are discussed. I urge the Board to approve hybrid meetings so we can move on and start working together for the benefit of all members.

*In Cooperation,*

*Joy Millman*

## IN SUPPORT OF HYBRID MEETINGS

Dear Gazette:

I am writing to support the PSFC Board in implementing hybrid general membership meetings for our beloved Coop. Participating in our Coop's democracy should not be hindered by an inability to show up to a physical space (because of Covid concern, childcare needs, or myriad other reasons). The recent vote showed that a large majority of the members who voted support hybrid meetings. Thank you in advance, PSFC Board, for making this a reality.

*Sincerely,*

*Steve Quester*

## BOARD VOTE TO ENACT HYBRID MEETINGS

To the editor,

I'm relieved to hear that the Coop board will likely hold a vote on hybrid meetings soon and that it is expected to pass. Those members who voted have already made it

clear that the majority prefers more accessibility to decision making. We want the wider membership to be able to participate fully, only fair given that we're all owners.

I'm confident that the Coop can (in this instance anyway) show the world what democracy, inclusiveness and tolerance look like in an intolerant time.

*Best regards,*

*Sierra Smigelsky*

## PRESERVING A COOPERATIVE COMMUNITY

Dear Coop community:

Did a lack of decorum at August's Food Coop General Meeting signal tacit approval to blacklist members? A member was allowed to belittle and vilify fellow members who signed the petition opposing the Israeli government's escalating mistreatment of the Palestinian populations.

Singling out a member by name and publicly accusing them of being unfit for participation in Coop activities because they signed a petition smells a bit like McCarthyism, no?

What cold wind is blowing through what was formed as a socially democratic institution?

We, all members, are responsible for preserving this very special cooperative community.

*Sincerely,*

*Pam Thomas*

## HYBRID MEETING FORMAT!

Hello Coop Members!

I am soooooo excited and in complete support of our Board for passing this crucial ability for all of us to be able to attend and make important decisions about our beloved Coop. Thank you to all who made this happen! It is so hard to attend monthly meetings and now we can all do this from the comfort and ease of our electronic devices from anywhere in the world! I am currently overseas tending to sick elderly parents and do not know when I'll be able to return. And being able to attend a meeting virtually is the only way I can be a vital part of our community. So another big thanks!

*Sincerely,*

*Una Weiss*

## EVERYBODY GETS A VOTE!

Dear Coop members:

Having been away for some months, I am now gratified to learn that there will, in fact, be a way for ALL of us to vote on Coop matters after all! The Board will meet and discuss the matter of hybrid voting, that is to say, voting both in person and from home, in the near future. Moms and/or dads in need of child care or elder care, those

who are disabled and can't get to the park, those who are immunocompromised and risk illness and even death as did my own (and only) brother last June from exposure to Covid, those for whom a walk at night through a City park is a little too daunting... we ALL will get to vote on all Coop matters from the comfort of home or office if we prefer not going to meet in person. Our Board will take the information gained by previous discussions, forums and votes and will make it happen!! Finally!!

The crisis of governance with which we've been confronted will be resolved democratically, and by all Coop members, in the near future. What a relief! The Coop gets more democratic while the rest of the country gives in to bullies. That's why I love our Coop. We can undergo difficult change and the bullies don't win. This gives me hope for us all.

*Sincerely,*

*Carol Wald*
